MEMORANDUM FOR:

STAT

FROM : J. Kenneth McDonald
Chief, DCI History Staff

SUBJECT : Information on CIA History Program

1. I'll attach copies of the History Program that the Executive Committee approved in October 1981, along with two Headquarters Notices concerning our work and the establishment of the History Advisory Board.

2. I should mention that while we now have underway two DCI studies, a one-volume survey history of CIA, and a topical monograph, I'm not sure that we'll ever undertake the multi-volume general CIA history that I proposed in the October 1981 program.
